

A big thank you to all those parents who turned up for the parents evening. It was great to share and celebrate your child's learning.

For those children who are moving onto 'big' school, you will soon find out where your child will be going in September. Please let your child's Key person know so that invitations can be sent to reception class teachers to visit your child at nursery.

As the weather gets warmer we will be bringing the curriculum outside— lots of painting and water play -including regular use of the stream and waterfall.

On warmer days your child needs to be protected from the sun. Please apply sun cream to your child before coming to nursery and hand to the key person to apply after lunch if your child is here all day. Please can you also make sure your child has a sun hat.

The children love water play. Please could you put a bag of spare clothes on their peg. As always any donations of spare clothes, particularly boys trousers, pants and socks are welcome.
