

Acorns

We have raised £477 from Christmas fund raiser and some of the money has been put towards resources for Acorns garden. We are looking forward to our new outdoor play house and mud kitchen area.

Can we ask parents to please email their family photos to acorns.fancc@bristol-schools.uk to display on Acorns family board. Many Thanks.

A Message from the Head

Dear Parents/Carers

“Sometimes the smallest thing makes the biggest difference!”

It is always great to greet happy eager children at the beginning of the session. We know children who arrive on time will get the best opportunities for learning, have fun and feel involved. But, for some families this may prove a challenge. Your Key person is there to support you, and ensure your child does not miss those vital learning opportunities. Please take time to read the leaflet 'Help your child to learn'. Also remember it is equally important to COLLECT on time too.

We understand especially at this time of year children may not be well enough to attend. Please let us know. Your Key person will be in contact, to ensure all is well. Persistent absences are a concern for us. Please remember we are a very popular Nursery, all our children are important and we always have children waiting to come and join in the fun.
